written by Kris | April 26, 2017

We're thrilled to share some exciting news from Skyline Drive Kennels (SDK)! Our three talented pups recently participated in the March NASHDA Qualifier in Mississippi, and boy, did they make us proud.

Meet our stars: Dallas, Scotty, and Indy. From left to right in the snapshot above, these furry dynamos have been burning up the competition scene with their skills and dedication.

Let's start with Dallas, the adorable pup who stole everyone's hearts. Dallas began her journey with us as a puppy and received top-notch training in shed hunting until she was about 7 months old. Since then, she's been with Ed Norys, who has done a stellar job honing her abilities. Dallas boasts an impressive resume, holding a NASHDA Masters title and earning the prestigious title of 2018 UKC Elite Shed Dog of the Year. Talk about a superstar!

Next up is Scotty, owned by the fantastic Wayne Pruett. Scotty, too, is no stranger to success, clinching a Master NASHDA title and showing everyone what he's made of.

Last but certainly not least, we have Indy, owned by the one and only Matt Hatcher. This dynamic duo made their debut at the competition, and what a debut it was! Indy's raw talent shone through as they secured two passes toward their Junior NASHDA title. Not to mention, they blazed through the UKC Elite Shed Dog trial, claiming the title of the second fastest dog. Way to go, Indy!

To Dallas, Scotty, and Indy: Congratulations on your remarkable achievements! You've worked tirelessly, and your dedication has truly paid off. We couldn't be prouder of each of you.

As we look ahead, our eyes are set on the NASHDA World Championships in April. To our furry friends and their owners, we wish you the best of luck. We have no doubt that you'll continue to shine and make us proud.

Stay tuned for more updates from the world of Skyline Drive Kennels. Until then, keep wagging those tails and chasing those dreams!
